

Grasby Village Hall Committee

The village hall committee operates as a charity and plays an important role in fostering community spirit and enhancing the quality of life for local residents. As a charitable organisation, the committee ensures that the village hall is well maintained in order to provide a central hub for social, cultural, and recreational activities in the parish. The role of the committee includes everything from overseeing repairs and ensuring health and safety compliance to managing bookings and organising events. Donation and volunteers to help are always welcome.
