The parish council commented that the site would be more suitable for 1 dwelling. **PA141817**- Land to north of Bentley Lane- application to erect 1 dwelling- parish council to object on the grounds that it is out of proportion for the size of the plot, it is twice the size of the original plan and there is very little detail regarding the materials to be used, there is no gap between the building and the boundary of the plot and the proposed dwelling is not within keeping with the houses nearby. **PA141773** Field adjacent to Willow Pond, Station Road- application to erect 2 dwellings- no objections but PC to request that the dwellings are in keeping- materials and design- general vernacular of the village with the rest of the village **PA141429**- Land to South of Clixby Lane, application for 5 dwellings- refused
